£199.00

Immersive 360 degree sound

Producing powerful lifelike sound from every angle, the Bose **SoundLink Revolve II Portable Bluetooth Speaker** lets you enjoy the same high sound quality no matter where you are around the speaker

Robust and water-resistant

Don't worry if you knock the **SoundLink Revolve II** - soft and flexible bumpers mean that whether you toss it in your bag or accidentally drop it, it's not easy to damage. The **SoundLink Speaker** is water and dust-resistant.

Smartphone connectivity

Using the Bose Music app, you can easily control the **SoundLink** from any Bluetooth device. In case your party needs even more volume, the app lets you connect multiple **SoundLink Revolve II Speakers** in Party Mode - enhance the audio quality and spread out the sound with SimpleSync.

Up to 13 hours of battery

SITUATION:

You work as a sales advisor at Currys PC World and have a meeting with a potential customer who is hesitating to buy the BOSE SoundLink Revolve II Portable Bluetooth Speaker - Triple Black. Prepare your arguments to reassure and convince him/her and satisfy his/her needs. He / She is worried about:

- The quality of the sound
- The durability of the item
- The after-sales service
- The price
