MISE EN SITUATION 12 : BOSE SOUNDBAR 600

NEW Bose Smart Soundbar 600 Dolby Atmos with Alexa Built-in, Bluetooth connectivity

\$499.00

Full immersion for all entertainment — Smart Soundbar 600 is a Dolby Atmos soundbar that also features proprietary TrueSpace technology and two upward firing transducers to deliver shockingly immersive sound for all your movies, TV shows, and music.

- Packed with technology
- Wireless soundbar for streaming
- Total control — Amazon Alexa voice control is built in. Or you can access Works With Google Assistant capabilities with a compatible Google device. There's also the included remote control and the Bose Music app for quick access to your music.
- Voice control soundbar — Exclusive Voice4Video technology expands your Alexa voice capabilities like only a Bose soundbar can. In addition to your Bose smart soundbar, you can control your TV and cable/satellite box with just your voice.

Situation :

You are a salesperson and a potential customer wants advice.

- Talk about the advantages of this product.
- Talk about the brand
- Talk about the compatibility
- Tell the customer about after sales service and the guarantee.
