CORRIGE - BAREME

3 points par justification 3 x 2 = 6 points

TOTAL = 8 points

*4) Explain how Alice has gradually become **freer** and **stronger**, concentrating on:*
the difficulties she encountered in terms of health
- **She has had several health problems (foot ache, flu, twisted ankle)** *1 pt*
- **but she says she has overcome her illnesses OU she has recovered** *1 pt*
- **so she feels stronger now.**
her attitude to money
- **So she has learnt how to fend for herself OU to manage with little money.** *2 pts*
her relationship with her family
- **She has been quite discreet about all the difficulties she has encountered OU she has not told her family about them OU she has had very few contacts with her family OU she seems to be sending postcards only.** *1 pt*
- **She has learnt not to 'call Mom'(l.24) whenever she has a problem OU she doesn't need them anymore.** *1 pt*

TOTAL = 6 points

5) At the end of the text, Alice meets a Jain, a s ort of philosopher. What does he refuse to eat and why?
- **He refuses to eat living creatures or organisms or germs** *3 pts*
- **He says he refuses to kill any living organism.** *3 pts*

TOTAL = 6 points

6'a)
"And later, when I am a bit older, I shall renounce the world and go hither and thither, barefoot, as my father did, in his dotage. Just wandering with no possessions, eschewing the material world.'"
From this sentence, deduce the meaning of the verb 'to eschew'.
- **Renounce the world OU give up all possessions.** *4 pts*

b) Compare the man's philosophy of life and the **NEW** independent Alice.
- **Like him, she is not interested in material values.**
- **She is free to go wherever she wants to go OU to go 'hither and thither' (l.53).**
- **She is now 'living her life' (l.9).**

2 points par justifications = 6 pts

TOTAL = 10 points

7) Show that this extract gives a clue to understa nd the title of the book
Alice was like a she-elephant. She felt chained but she has managed to become more powerful by overcoming difficulties. She is now "released" and can fly (cf. l.14-16). *5 pts*

TOTAL = 5 points

TOTAL COMPREHENSION = 50 points à multiplier par deux, soit 100 points
